

**Special Needs Advisory Committee (SNAC)**  
**Meeting of April 26, 2023**

**Special Presentations**

1. Presentation on the TranXition program by Julianne Noseworthy for 15 to 25 year olds who are transitioning to adulthood. Through this program, the students learn residential autonomy, socialization, physical and mental well being as well as work and studies by being put in real life situations.
2. Presentation on Bill 9. Update by Geneviève Dugré on the reform of the complaint processing procedures in the educational context which will be in effect August 28, 2023.

**Next Meeting**

The next meeting is scheduled for May 31, 2023.
