SICK DAYS/SPECIAL LEAVE DAYS:

Please check your paystub to ensure the correct number of sick days- you should have started the year with 6, prorated if you are part-time (e.g., 75% contract means 4.5 days).

Your special leave days are also prorated. Each full-time teacher gets 8 per year. These include (among others): urgent and confidential business day (personal day), medical appointment day, religious holidays, bereavement days and wedding days. For the list of special leave days available to teachers, please see our local agreement, 5-14.02.
