

YOUTH SECTOR

DELEGATES' REPORT NOVEMBER 2023

MENTORING STIPEND

Paperwork has been completed, so you should have received payment. If you have not, please email me so I can let HR know.

OVERSIZED CLASS PAYMENT

The school board has sent information to the schools so they can begin processing them ASAP.

APPENDIX XXV – MULTIGRADE CLASSES \$675

The amounts are fixed at \$675. The school board needs to report on the number of multigrade classes that we have in elementary. Once the confirmation from the ministry is in, the money will be allocated to the schools.

AIDE À LA CLASSE

The school board has had some issues with staffing these positions. An *aide à la classe* is someone who assists the teacher with non-teaching tasks. They are assigned to one teacher and should not move from class to class.

REPLACEMENT OF INTEGRATION AIDES

It is up to the principals to decide whether or not to replace integration aides when they are absent, based on the needs of the school. There was no directive specifically saying that they cannot, just that they need to be careful with their budgets.
