

**Report of the Central Professional Improvement Committee (CPIC)**  
**Meeting of February 15, 2024**

**Currency Reminder**

Committees should make sure to double-check the currency for the workshop application. It will be easier to address the proper allocation that way.

**Review of DPIC Plans**

The committee reviewed DPIC plans received. Our Chairperson will reach out to seek some clarifications when needed.

**Review of Budgets**

After approval of January 2024 applications (and not considering February 2024 applications)

<b>Budget</b>	<b>Numbers of Approved Application</b>	<b>Allocation remaining</b>
Credit Course	50	\$29,592
Professional Development Activities	98	\$49,199
Networks	11	None \$40,000 spent
Special Projects	6	\$73,064
New Teachers	38	None \$80,000 spent

**DPIC Budgets**

Some schools and centres still have a large portion of their budget and they are encouraged to spend it either by planning a large school-wide event or to encourage teachers to attend some PDA.

**Review of Requests**

15 requests were presented for credit courses: 9 requests were approved. 4 requests were refused as teachers were hourly; 1 request was refused because the teacher had already reached the maximum of their yearly amount; and 1 request was revised in order to respect the maximum.

16 requests were presented for Professional Development Activities, and all were approved.
