

December 19, 2025

Dear colleagues,

On behalf of the six of us at the PTU Office, and on behalf of the PTU Executive Committee, I want to wish you a wonderful and very well-deserved holiday break.

Teaching in 2025 continued to become more complex, as budgetary restrictions and governmental legislation demonstrated. Nevertheless, your creativity, professionalism, and commitment to teaching students continue to show why your role as an educator is so valuable and essential to a healthy society. Thank you again for the invaluable work that you do every day in teaching students for the world of both today and tomorrow.

We hope that you can put your work aside for a few weeks and focus instead on your friends and family during this holiday season. Please also try to carve out some time for yourself, perhaps even with an extra cup of coffee... you absolutely deserve it!

We also wish you health and happiness as the calendar shifts to 2026 and look forward to continuing to support you in your classrooms in the New Year.

All the very best,

A handwritten signature in brown ink, which appears to read 'Matt Wilson', is placed above the printed name.
