DELEGATES' REPORT – MARCH 2026

STAFFING

Leave of absence, sabbatical and progressive retirement requests were submitted, and teachers will receive their official responses by April 30.

You should have already been asked to complete your assignment preference form for 2026-2027 (tenured and tenure-track teachers only), if you were not asked, please speak to your principal immediately, as the deadline was March 20.

The new online Seniority List Verification went well. Any rejections are being looked into by the school board and teachers will hear back. Any corrections that need to be made will be done and the Official List will be posted on SSO by March 27.

The next important deadline for teachers is April 30. This is the deadline for the school board to declare excess, though principals should inform teachers verbally ahead of time. An online meeting for excess teachers will be held after school on April 30 to explain the process.

MENTORS 2026-2027

School Councils should be submitting their recommendations for mentors for the 2026-2027 school year by the end of April.
